Office Memorandum • UNITED STATES GOVERNMENT

TO : Registrar/TR

~~CONFIDENTIAL~~

SUBJECT: Regulation [REDACTED]

CHANGE
FILE NO. [REDACTED] DDC NO. [REDACTED]
IN CLASS: [REDACTED] DDCL REG: [REDACTED] CIVILIAN STAFF
NEXT REV DATE 09 JUN 1959
NO. PGS. / CREAT DATE [REDACTED] 02
ORG COM: [REDACTED] CIVILIAN STAFF
REV COORD: [REDACTED] AUTH: HR 79-3

1. Attached copies of revised Regulation [REDACTED] were sent to DTR for "info" and, unless we are disturbed by liberties taken with our version, I presume there is no official action we need to take. Perhaps a phone call to [REDACTED] advising him that we are abreast of developments, will take care of his "for action" referral. 25X1A

2. The most significant deviation from our draft is one we had previously heard about, namely, changing our wording, "civilian officers and employees", to read "civilian staff employees, staff agents, career agents, or contract employees" I do not feel competent to debate this issue, but my opinion is that we can safely allow the General Counsel to resolve the problem. 25X1A9a NB

3. The other changes appearing in the DDS draft are minor and, despite my pride of authorship, are in the direction of improvements.

4. I shall be happy to review with you the important features of this latest version - at your convenience. 25X1A9a

Note: [REDACTED] OGC, called me today with me. that he add a sentence in general section (which he liked) to refer to exemptions granted Agency under Exec Order. I concurred. His idea is a good one.
